Please don't let them demolish the house at 2502 Park View Drive. At least, make the developer (and that's what he is) keep the footprint of the house as it is. He has built one mega mansion on our street and owns 2 more lots and an investor of his just bought the house at 2706 Park View Dr. He will build more mega mansions on those three lots, at least deny him the opportunity to do it to this historic air condition village house as well.
